PIAMONTE
HOTELS

FACE

Customized Face Cleaning

Specific treatment adapted to the condition of each skin. The synergy of natural actives promotes the balance and elasticity of the skin tissue, giving it comfort and luminosity.

1h - 75,00€

Face Deep Hydration

Medical treatment adapted to the condition of each skin. Promotes deep hydration preventing dehydration and premature aging.

45 min - 190,00€

MASSAGES*

Relaxation

Relaxing massage that combines the physical and emotional benefits of slow and gentle movements with the therapeutic properties of essential oils. It eliminates tensions and gives the body back its natural energy and vitality.

30 min - 50,00€ | 50 min - 80,00€
2 persons: 30 min - 110,00€ | 50 min - 170,00€

Therapeutic

Intense and deep massage indicated to relieve tension and eliminate contractures. Essential oils, in synergy with therapeutic movements, balance the nervous system and promote muscle relaxation.

30 min - 65,00€ | 50 min - 85,00€

Aromatic Candles

Once lit, the aromatic massage candles form a magnificent oil. The hot candle thread, together with the massage movements, provides a gentle sensation of physical comfort and stress, pain and tiredness reduction. Shea butter, enriched with essential oils, stimulates the senses for a unique sensory experience.

60 min - 115,00€

Signature

Full body massage performed with grape seed pinches. The heat and aroma of pindas combined with massage techniques have a profoundly calming and relaxing effect, balancing your body.

60 min - 130,00€

Pre-Mom Massage

Exclusively for pregnant women, this body massage has a draining and relaxing effect, helping to reduce the feeling of heavy legs and muscle pain. It uses exclusively sweet almond oil that is completely safe at this stage of your life.

50 min - 80,00€

BODY TREATMENTS

Slimming Massage

Using fat tissue draining techniques, this treatment seeks to correct the silhouette and redefine the body's natural curves. Through rhythmic and deep movements, the massage activates circulation and improves metabolism.

45 min - 75,00€

Manual lymphatic drainage

A gentle massage that, through light, rhythmic and precise movements applied towards the lymph nodes, stimulates the lymphatic system. Through these pressure points, the treatment promotes the elimination of toxins and waste, improves metabolism, strengthens the immune system and provides an immediate feeling of lightness and well-being. With visible effects on the reduction of bruises and edema.

45 min - 85,00€

Wine Moment | Face, Hands and Feet

Invigorating, nourishing and relaxing treatment.

An exfoliation and massage ritual with deep hydration using seed-based products and grapeseed oil rich in antioxidants and linoleic acid, great for promoting your skin's health and beauty by eliminating free radicals, leaving your skin smooth and rejuvenated.

60 min - 120,00€

HOLISTIC TREATMENTS

Ayurvedic

Complete and natural ancestral technique that, through the combination of massage and stretching movements, aims to restore balance and general health. A deep massage performed on a mattress on the floor that promotes relaxation and physical, mental and emotional well-being.

90 min - 130,00€

Zen Shiatsu

Therapy that rebalances the body's energy through pressure exerted on the energy channels (meridians). It balances the flow of vital energy, releases tension, and promotes a sense of peace and serenity.

60 min - 90,00€

Reiki

Bio-energy therapy performed through gentle touch or hand approach at a short distance from the body, thus transmitting "Universal Energy" (Reiki) to the areas that need it most. Reduces stress and generates balance and well-being in an integral way. Harmonizes, energizes, stabilizes and relaxes physically and mentally. Accelerates the body's natural healing capacity.

50 min - 75,00€
